

REDUCED GREEN FEES Plus EXTRA 20% DISCOUNT

Thank you for choosing to golf at MeadowCreek Golf Resort.

Due to winter conditions experienced in the Meadows Valley our greens and approaches are not yet in the best condition.

We pride ourselves in having the best maintained and playable golf course in the area – however, this season is somewhat different.

Therefore, until further notices are published, the Board of Directors have reduced the Green Fees and will discount an additional 20% as a compensatory Thank You.

Thank You
